TORLYS
smart floors

TORLYS smart cork

starts beautiful. stays beautiful.

**FIRST. FOREMOST. ALWAYS.
TORLYS AND CORK.**

Cork floors have long been cherished for their striking looks, and natural warmth and comfort. Today, TORLYS smart floors has built on its momentum as the leader in cork floors to offer the largest selection ever of bold new styles and product innovations.

**STARTS BEAUTIFUL
– DESIGNER STYLED**

New distinctive collections have been designed specially for TORLYS by a select group of interior designers. The new styling includes on-trend colours, thicker planks and now they are available in first-ever, extra-long planks measuring almost 6 ft. You'll find what you're looking for here in stunning collections, in colours and textures that will be a natural delight for any space.

**FEELS GOOD – QUIET, WARM,
AND COMFORTABLE**

Composed of millions of tiny cellular air pockets, cork is an extraordinary insulator, quiet, warm and exceptionally comfortable to walk on. Cork reduces

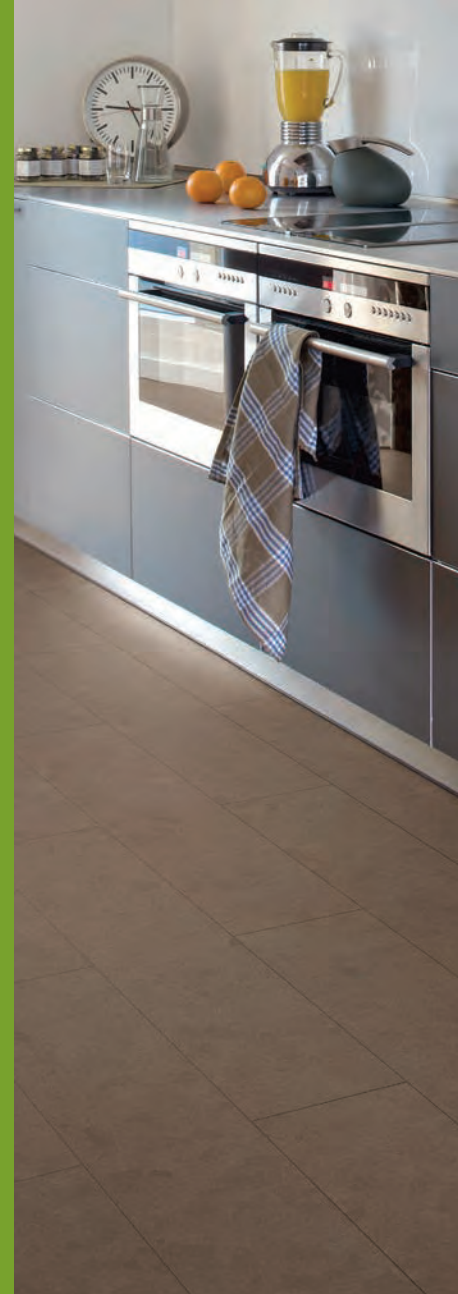

heat loss in rooms, helping to maintain a pleasant indoor temperature - never too hot or too cool.

**STAYS BEAUTIFUL
– WITH TORLYS SMART FINISH**

The new, extremely durable TORLYS smart finish has been integrated into every TORLYS cork floor. This innovative finish is 50% more durable than past finishes, making it the strongest, most environmentally-friendly and durable finish we have ever created. Your cork floor will look amazing for years to come.

FIRST FSC® CERTIFIED CORK FLOOR

TORLYS is the first to offer an entire cork collection that is FSC® (Forest Stewardship Council®) certified. We achieved this recognition by passing the rigorous standards established by the Forest Stewardship Council®. It is good to know the wood and cork used in manufacturing comes from sustainably managed forests. Also, the CorkPlus™ attached underlay with Microban® antimicrobial protection provides added warmth, comfort, quiet and eco-friendliness.

TORLYS smart cork
**styled by designers.
loved by nature.**

PEACE OF MIND

Imagine the extra comfort, and warm feeling, that comes from knowing your cork floor is protected with the innovative TORLYS smart finish, and knowing that the entire collection comes with FSC® (Forest Stewardship Council®) certification. Your satisfaction is assured, with exceptional Peace of Mind warranties, and a Peace of Mind product rating system that makes it easy to select the perfect TORLYS Cork floor for your taste, life and budget.

FLOORS FOR A BETTER WORLD.

Cork is recognized worldwide as a floor with unsurpassed environmental advantages.

TORLYS has long been an innovator in cork flooring, continuously rethinking every aspect – from renewable resource forestry to re-useable design.

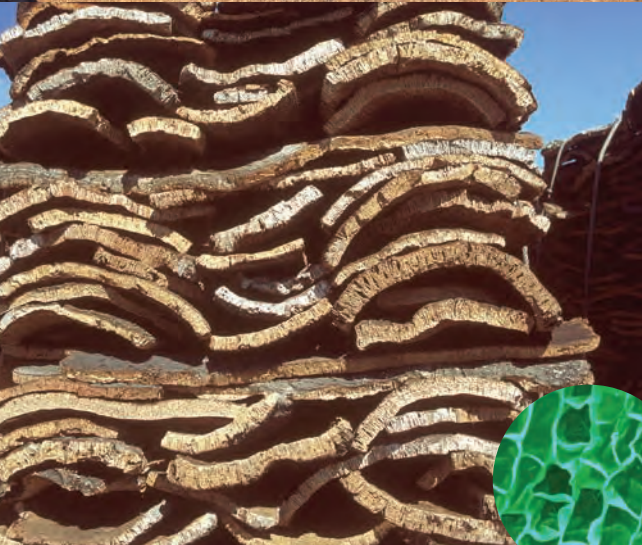

TORLYS AND THE ENVIRONMENT

“We reduce the amount of resources needed to make our products. We re-use cork, leather and wood in our floors and offer floors that are FSC® Certified from managed forests. We even encourage customers to re-use or re-purpose their TORLYS floors. At TORLYS, we’re inspired by nature in our journey to create a smaller footprint. We urge you to rethink the way you look at flooring too.”

~ Peter Barretto, CEO and President

ENVIRONMENTAL CHOICE

FIRST AND ONLY

TORLYS is the first to offer an entire cork collection that is FSC® (Forest Stewardship Council®) certified. We achieved this certification by passing the rigorous standards established by the Forest Stewardship Council.

RENEWABLE

Cork floors are made without cutting down cork oak trees. Cork bark is carefully harvested, once every nine years, in a centuries-old tradition with hand tools, a process ensuring that forests will remain undamaged. It is not unusual to have a 200 year-old tree still producing cork bark.

HEALTHY HOME

All TORLYS smart floors and underlays are CARB compliant and meet the VOC (Volatile Organic Compounds) requirements set by the European Norm EN 13986 (Class E1), and California Section 01350 Indoor Air Quality Standard, one of the most stringent in the world. Cork is hypo-allergenic and insect resistant. Mites and even termites are repelled due to a naturally occurring substance in cork called Suberin.

LEED®

TORLYS smart floors contribute to LEED® (Leadership in Energy and Environmental Design) in three areas – materials and resources, indoor environmental quality and innovation and design.

DURABLE

All our cork floors are made with a precisely engineered high-density wood TORLYS smart core, which is more dent resistant than other floors. All TORLYS smart floors include the patented Uniclic® joint technology, for the toughest joint and the most exacting fit. For repairs, removing a plank is easy – even if it's in the middle of the floor – using the patented TORLYS Bulldog™ Easy Plank Replacer.

CORKPLUS™ UNDERLAY

TORLYS Cork floors are backed with CorkPlus™ attached underlay, made of recycled cork, for added warmth, comfort and sound insulation. Only TORLYS takes this extra step in creating a thoroughly environmental cork floor.

REPURPOSE

Every TORLYS smart floor can be disassembled and re-purposed in another room or home. You can even donate it to a Habitat for Humanity® ReStore.

TWO BEAUTIFUL CORK FLOOR COLLECTIONS

TORLYS has created two cork collections, Florence and Classic, in a simple-to-shop good/better/best (Premier/Elite/Designer) format. Selecting your perfect TORLYS cork floor is easier than ever.

FOR YOUR TASTE AND BUDGET

PREMIER (GOOD)

3/8" Thick*

The quality of TORLYS Cork in two beautiful collections, Classic and Florence, with Premier styling to suit any household with tighter budgets.

Created as a reliable, hardworking alternative to the more artistic Elite and Designer collections, Premier allows you to create your own look with all the comfort and warmth you expect from good quality cork flooring.

- Smoother textures in a variety of colours
- Seamless square or beveled edges
- Available in Florence and Classic collections
- Peace of Mind Assurance offered with a 25-year limited wear warranty

ELITE (BETTER)

1/2" Thick*

Perfectly natural with a clear design orientation, TORLYS Elite Cork floors have an alluring balance of art and practicality. Its understated style complements the mood and character of any room, from casual and relaxed to elegant and refined.

Elite floors come in a rich and stylish colour palette – from shades of golden brown to the deepest tones of chocolate and ivory.

- Lightly textured
- Attractive and well-balanced selection of colours and styles
- Seamless square or beveled edges
- Available in Florence and Classic collections
- Peace of Mind Assurance offered with a 30-year limited wear warranty

DESIGNER (BEST)

**Our Thickest Plank
5/8" Thick***

TORLYS Designer Cork is top-of-the-line cork flooring in every way. Designers love the bold, inviting spirit of originality in these extra-long, wide and thickest planks that include unsurpassed construction. TORLYS Designer Cork is our statement collection.

Here you will find the most select and distinctive patterns and colours, in a nuanced spectrum of entrancing designer-endorsed styles.

- Forward-looking colours, highly textured and beautifully contoured
- More adventurous, refined and aesthetic styling
- Beveled edges
- Available in the Florence collection only
- Peace of Mind Assurance offered with an optimal 35-year limited wear warranty

The mark of responsible forestry

Breakthrough technology.
Superior underlay built in
to all TORLYS cork floors.

CORKPLUS™ UNDERLAY

NEW – TORLYS CorkPlus™ Underlay with Microban® antimicrobial protection that helps eliminate mould and mildew.

TORLYS CorkPlus™ Underlay is a superior natural insulator with long-lasting performance. An environmentally-friendly product, TORLYS CorkPlus™ Underlay is made from recycled cork, offers natural air-cushioning for comfort, sound step absorption and thermal insulation, and contains Microban® antimicrobial protection, that helps eliminate mould and mildew. Best of all, CorkPlus™ underlay is built into the back of every TORLYS cork floor, so, for most installations, there is **no need to purchase a separate underlay.**

PERFORMANCE

NEW - TORLYS SMART FINISH

- The new, extremely durable TORLYS smart finish has been integrated into every TORLYS cork floor.
- TORLYS smart finish is 50% more durable than past finishes, making it the strongest, most environmentally-friendly and durable water-based urethane finish we have ever created.

THE INTEGRITY OF UNICLIC

The patented Uniclic® joint is integral to TORLYS Cork. During installation, it doesn't require messy glues or nails of any kind. Uniclic® creates a remarkably stable and gap-resistant floor, and because the click joint process is reversible, the floor can be re-used up to 3 times under warranty.

MOST SWELL RESISTANT

- Low swell rates prevent ugly raised edges and reduce chipping.

SMART CORE

- TORLYS ultra-dense, compressed smart core resists denting.

why smart cork?

superior performance.

durable new tough smart finish.

PROTECTION

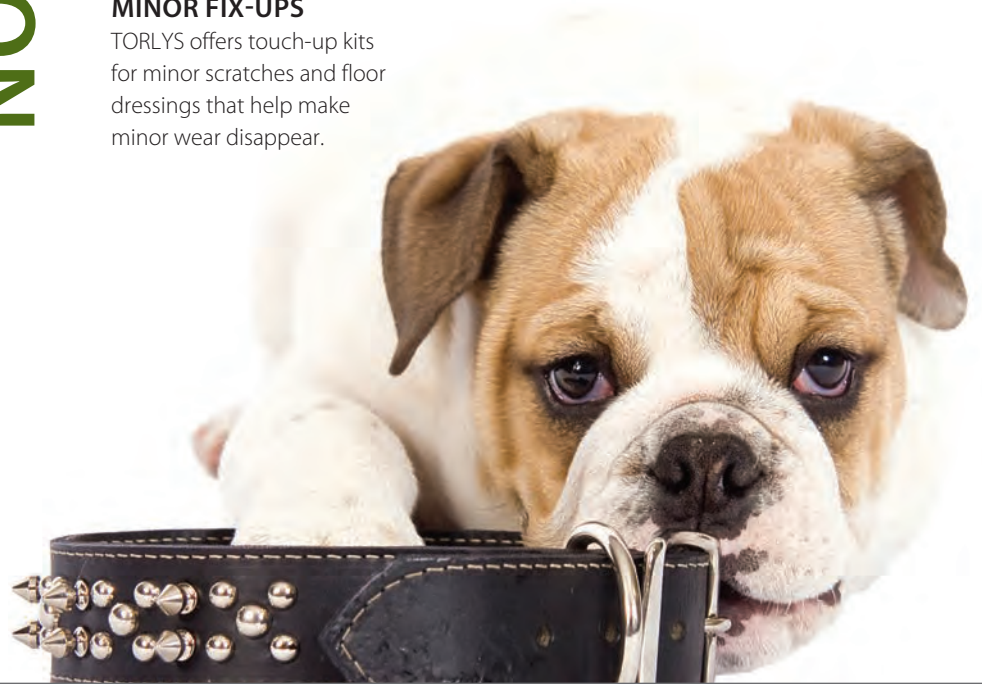

BULLDOG™ EASY PLANK REPLACER A FLOOR'S BEST FRIEND

TORLYS Bulldog™ Easy Plank Replacer allows you to:

- Fix major mishaps quickly and easily.
- Replace a damaged plank, not your entire floor —just ask your TORLYS dealer to replace damaged or dented planks with the TORLYS Bulldog™ Easy Plank Replacer. No glue. No nails.
- Renew your floor without sanding or refinishing.
- Contact your TORLYS retailer for details.
- Check the video at www.torlys.com/installation/installation-video.

MINOR FIX-UPS

TORLYS offers touch-up kits for minor scratches and floor dressings that help make minor wear disappear.

TORLYS Bulldog™
Easy Plank Replacer

RELAX, IT'S A TORLYS SMART FLOOR

When people ask, "Why should I invest in a TORLYS smart floor?", we have one response: **inspiring beauty and peace of mind.**

Our floors start beautiful and stay beautiful over time. We create inspiring flooring and support your purchase like no other flooring company. Our goal is to create a unique and enjoyable purchase experience. We believe it is the smart thing to do.

CHANGE YOUR MIND?

If after 30 days you are not happy with the colour or style of your TORLYS floor, contact your retailer and TORLYS will replace your floor with a TORLYS floor of equivalent value. All you pay is the cost of installation. Visit www.torlys.com for details.

GUARANTEED TRADE-IN VALUE. NOW THAT'S SMART!

Years down the road, when you want to change your floor, TORLYS will provide you a Trade-in Value of up to 20% of the original purchase price of your old floor. All you need to do now is register the warranty for your new floor. Visit www.torlys.com for details.

For commercial warranties, visit www.builder.torlys.com.

CORK MAINTENANCE

Keep your TORLYS smart floor looking beautiful

- Dust mop (with a non-treated, clean mop) or vacuum regularly to remove loose soil and wipe up spills quickly with cloth or sponge.
- Clean as required with TORLYS Natural Glow Eco-Friendly Cleaning Kit.
- Only use TORLYS maintenance products. Never use wet mops, highly acidic or alkaline cleaners, non-recommended commercial cleaners or polishes, or a treated mop that has been used to clean other floors or furniture.
- Use floor-protector pads on furniture feet. Protect your floor from hard castors on moveable furniture.
- Use caution when wearing high heels as they can dent cork. Keep your pet's nails trimmed.
- Use entry-way (non-skid cotton) mats to capture tracked-in-dirt and soil, and clean them regularly. Rubber or fiber-backed mats may stain or scratch floor finish.

Maintain Humidity in Your Home

TORLYS smart floors are natural products. Use a humidifier or dehumidifier to regulate humidity (30 – 60%) and minimize expansion and contraction. This is required to preserve your floor.

TORLYS Natural Glow® Eco Friendly Cleaning Kit

TORLYS recommends Natural Glow® for easy maintenance. It's bio-degradable (with no VOCs), fragrance free, easy on the environment, and makes every TORLYS cork floor spotless. Clean your floor as required with this easy-to-use-kit.

Visit www.torlys.com for more details on cork floor maintenance.

TORLYS Floor Dressing

Floor coating that is specially formulated to help cover minor wear.

TORLYS Floor Stripper

For easy removal and reapplication of TORLYS Floor Dressing.

TORLYS Underlays

In some installations, a separate underlay is required to meet impact sound ratings in high rise buildings or condos. For more information on all TORLYS underlays, visit www.torlys.com.

TORLYS Natural Glow® Eco-Friendly Cleaning Kit

MOULDINGS

TORLYS Cork floors require a transition moulding to cover the expansion gap mandatory in floors wider or longer than 30 ft. and at doorways.

NEW – FLUSH STAIR NOSING INCLUDED IN SOLOPLUS 5-IN-1 MOULDING

Improved to now include flush mount stair nosing.

A Reducer, T-Moulding and Square Nose and Flush Mount for stairs – in ONE profile.

1. T-Moulding – used to adjoin two floors of identical height.
2. Reducer – used to transition two different floor heights.
3. Square Nose – used to transition to carpet.
4. Square Nose – edge moulding used to conceal the expansion gap around the perimeter of the room.
5. Flush Stair Nosing – stair-edge seamless trim moulding for installation of TORLYS Cork on staircases. Clicks flush into your TORLYS Cork floor, thus eliminating the overlap of traditional stair nosing. SoloPlus can also be used for non-flush installations on landings.

your flooring solutions
everything you need.

FREQUENTLY ASKED QUESTIONS

Can I put TORLYS Cork floors anywhere in my house?

TORLYS Cork floors are an engineered product, well-suited for installation below grade, over radiant heated sub floors, over concrete and even over some existing floors. TORLYS CorkPlus™ attached underlay is included in your floor, but depending on the application, different underlays and vapour barrier may be required. Ask your local TORLYS dealer for more information on different applications and what you may require. Check details at: www.torlys.com/installation.

Should I expect shade variation in my TORLYS Cork floors?

Yes. Variation of shade and grain are characteristic of cork floors. Because cork is a natural material, no two planks are alike, which adds to its beauty. Some colour and shade variation should be expected. Always work from several boxes at the same time and shuffle planks for the best visual appearance. Colour variation as an integral part of cork's inspiring beauty.

Does cork flooring fade with exposure to sunlight?

Cork, like all natural products, has a distinctive natural colouring that will age over time and lighten if installed near direct sunlight. Ensure you have the proper window coverings to diffuse direct sunlight on your cork floor.

What is the TORLYS Bulldog™ Easy Plank Replacer?

Only TORLYS offers you the Bulldog, a tool that allows you to repair any plank in your floor, even if it's in the middle of your room, with no power tools and little dust or noise. Ask your TORLYS retailer for details.

Are TORLYS Cork floors difficult to maintain?

TORLYS Cork requires the same maintenance as all other TORLYS smart floors. Simply vacuum or sweep your floors on a regular basis. Clean as required with TORLYS Natural Glow™ Eco-Friendly Cleaning Kit.

How do I keep my TORLYS Cork floor looking new?

It can be years before the natural beauty of your Cork floor will need to be rejuvenated. As soon as a wear pattern is visible, simply apply TORLYS Dressing. NOTE: Do not apply TORLYS Dressing on new floors.

Can I install TORLYS Cork Floors myself?

TORLYS Cork includes the patented Uniclic® joint, a nail-free joint technology that ensures a great-looking floor and makes installation easy. All you need is a saw, hammer, installation kit, tape measure, pencil and some time to install your floor. Or you could also use a professional installer. Ask your local TORLYS dealer for more details on installation.

What is the TORLYS Trade-in Value?

The TORLYS Trade-In Value is an innovative new program – the first of its kind! Years down the road when you want to change your floor, TORLYS will provide you up to 20% of the original purchase price of your old TORLYS floor. Register your warranty for your new floor. For more information and to register your warranty visit www.torlys.com.

What is the 30/30, 30/60, 30/90 Satisfaction Guarantee?

If after 30 days from installation you are not satisfied with the colour or style of your TORLYS floor, contact your retailer and TORLYS will replace your floor with a TORLYS floor of equivalent value. Applies to professionally installed floors only. All you pay is the cost of installation. For more information and to register your warranty visit www.torlys.com.

Can I order samples of TORLYS floors?

Yes. TORLYS Online Sample Ordering makes it easy to request any flooring sample. For a small fee, order a minimum of three 4" X 6" flooring samples of the collection and style of your choice. Visit www.torlys.com.
