EVEREST DESIGNER HARDWOOD

Welcome to our statement collection. Create drama, suspense and contrast in your space with forward-looking colours and desirable species. Everest Designer is backed with CorkPlus™ attached cork underlay, a fully renewable natural wood resource that provides added warmth, acoustic insulation and pure comfort. Microban® antimicrobial protection is integrated into the cork backing.

EVEREST DESIGNER

Widest and longest planks in the Everest Collection

Plank: 5/8" (thickness) x 6-1/4" (width) x 70-7/8" (length)
15mm (thickness) x 160mm (width) x 1800mm (length)

The Look

From dramatic, contrasting grains to soft, muted colours. Subtle finishes enhance natural beauty. Extra wide and long planks.

The Feel

Smooth and textured finishes

The Details

4 sided bevel

EVEREST DESIGNER HARDWOOD

TORLYS PEACE OF MIND ASSURANCE WARRANTY

TORLYS Everest Designer Hardwood has a 35-Year Wear Warranty and a Lifetime Structural and Joint Integrity Warranty for residential use. A 7-Year Limited Wear, Structural and Joint Integrity Warranty applies to light commercial applications. See <http://builder.torlys.com> for details.

LEED®

TORLYS Smart Floors can assist in acquiring LEED® certification for most building projects. Please visit <http://builder.torlys.com/leed>.

TORLYS is a member of the Canada Green Building Council whose mission is to lead and accelerate the transformation to high-performing, healthy green buildings, homes and communities throughout Canada.

WHY SMART HARDWOOD?

Superior performance is built in to every TORLYS Smart Floor:

- Multiple layers of wear-resistant, eco-friendly, water-based urethane finish that is warranted for up to 35 years.
- Patented Uniclic® Joint resists ugly gapping when 30-60% humidity is maintained. No other joint outperforms TORLYS Uniclic® Joint.
- Move It and Re-use It—every TORLYS floor can be disassembled and re-used in another room or home.

STARTS BEAUTIFUL, STAYS BEAUTIFUL

Everest Designer Hardwood is a stunning floor created with minimal environmental impact. TORLYS Smart Hardwood is easy to install and maintain, and designed for long-lasting beauty.

SMARTER USE OF NATURAL RESOURCES

"We reduce the amount of resources needed to make our products. We re-use cork, leather and wood in our floors. We even encourage customers to re-use or re-purpose their TORLYS floors. At TORLYS, we're inspired by nature in our journey to create a smaller footprint. We urge you to rethink the way you look at flooring too."

~ Peter Barretto, CEO and President

SMART UNICLIC® JOINT TECHNOLOGY

TORLYS Smart Uniclic® Joint Technology has the strongest-possible joint in flooring today. Constant lower lip pressure creates the tightest joint and is tested to withstand extraordinary joint stress —more than 1,000 lbs of pressure per linear yard is needed to pull apart two TORLYS planks. The joint is also milled to 1/1000 of an inch for the most exacting fit.

HEALTHY HOME

All TORLYS Smart Floors and underlays are CARB (California Air Resources Board) compliant and meet the Healthy Home requirements set by the European (E1) and California (Section 01350) indoor air quality standards – the most stringent in the world.

TORLYS BULLDOG™ EASY PLANK REPLACER

TORLYS Bulldog™ Easy Plank Replacer allows you to replace a damaged plank, not your entire floor. No glue. No nails. No staining. You can fix major mishaps quickly and easily, and renew your floor without sanding or refinishing.

HABITAT FOR HUMANITY

A long-time sponsor of Habitat for Humanity, TORLYS supports the rebuilding of strong, viable communities through the donation of flooring. You can help as well. Every TORLYS floor can be disassembled and re-used in another room or home. You can even donate it to a local Habitat for Humanity® ReStore.
