## TRADITIONALLY-MILLED FLOORING – THE WAY THEY USED TO DO IT

With its incomparable, purple-tinged chocolate hues – will help you create an exceptional space of unparalleled style and refinement. This walnut wood flooring is manufactured without steaming to preserve light sapwood accents and create a natural, one-of-a-kind sheen, walnut’s strength and beauty will last a lifetime and beyond.

### DISTINCTIVE ATTRIBUTES

This wide plank walnut flooring is milled from fully matured and responsibly sourced logs that are plain-sawn through and through. Walnut features a rich blend of coffee-colored browns with occasional touches of caramel from its light sapwood. It offers an extraordinarily tight grain pattern, sound knots and natural checking.
