

1. Cut Front, back and stand pieces.
2. Ask an adult to cut the windows according to the map. Don't open the windows!
3. Glue the front on the back, avoiding to put glue where the windows will be.

## Advent calendar - Week One

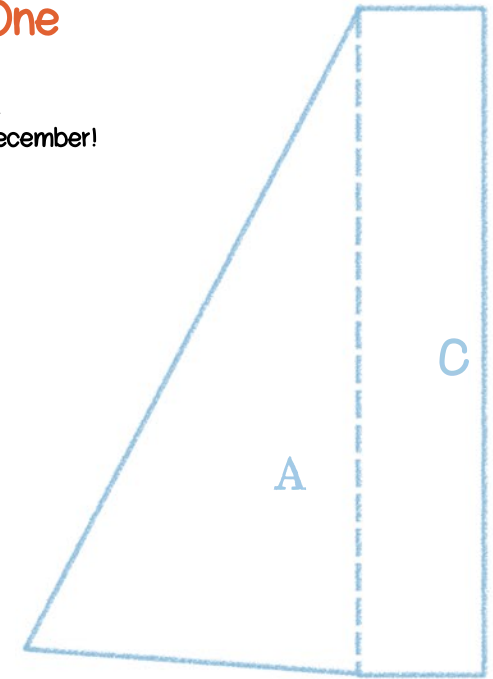

4. Fold the stand pieces.
5. Glue a on b, and C on the back of the house.
6. Et voila! Open the first window the first of December!
