

Strawberry Cream Hearts

- white sandwich bread
- spreadable cream cheese (light or regular)
- strawberry jam

1. Use a large heart-shaped cookie cutter to cut sandwich bread, 2 slices for every tea sandwich you want to serve.
2. On half of the hearts, spread a layer of cream cheese, then a layer of strawberry jam.
3. On the other half of the hearts, take a smaller heart-shaped cookie cutter and cut a small heart out of the center of the bread. Place on top of the strawberry-cream cheese hearts.
4. Take a bit more of strawberry jam and fill in the small heart on top of the tea sandwich. Cover with a lightly dampened paper towel and cover with plastic. Refrigerate until ready to serve.
