**Prospects Provincial Teams 2011 Fall Training Camp**

- Target Group:** Swimmers born in 1997 and 1998  
**Date:** October 15-16, 2011 (To be confirmed)  
**Location:** Lower Mainland or Victoria (To be announced)  
**Selection Period:** LC performances from April 1- August 31 2011.  
**Team Size:** 32 swimmers  
**Selection Criteria:** Top 8 male and female swimmers (FINA Points) per single year born in 1997 and 1998, with no more than 2 per category. Only performances from Swim Meets will be considered for selection. Relay lead-off swims or Time Trial results will not be considered for selection.

There are two steps to the selection process:

**Step 1 – Highest Points for Each Stroke Category**

The swimmer with the highest FINA Point Score in the following Stroke Categories will be selected:

- 50-100-200 Free
- 400-(800 Free female), (1500 Free male)
- 100-200 Back
- 100-200 Breast
- 100-200 Fly
- 200-400 I.M.

The swimmer with the highest FINA point in each category will be selected. When a swimmer has the highest FINA point score in more than one category, that swimmer will be selected to the category in which they score the highest.

This means that there may be one or more categories from which no swimmers(s) will be selected.

**Step 2 – Fill remaining spots with next highest scoring swimmers**

The remaining positions will be filled by the swimmers with the next highest FINA point score, regardless of Stroke Category, until the Team size is reached. There will, however, be a maximum of TWO swimmers per stroke category selected.
