

If You Only Knew...

Find out for sure, then *do* something about it!

Is your partner cheating on you? Any form of adultery puts your life on hold and your finances at risk. Whether your partner is starting to wander off or involved in a full-blown affair, you need to know and know NOW, so that you can make choices that are right for YOU. From finding out to following through, *The More You Know* is a highly practical and comprehensive guide to getting the proof you need and using it to YOUR advantage.

If you're living with the pain of *not knowing*, author Bill Mitchell, a licensed private investigator, gives you smart, proven steps to immediately take charge of the situation and take control of your life.

You will learn:

- What relationships are most at risk
- The eight most common warning signs
- Five simple steps to getting the proof you need
- Ten ways to use the element of surprise
- When and how to hire a private investigator
- How to recover emotionally, financially, and socially

"Bill Mitchell combines his years as an investigator with a heart of empathy for the emotional, life-altering scenario known as adultery. An incredibly useful tool to investigators and a source of help for those wondering if their significant other is being unfaithful."

—W. Larry Davis

Private Investigator and Former U.S. Marine Criminal Investigator

"The book makes it easy for someone in the middle of a crisis to understand what is happening to them—and what may have been happening for years."

—Randall M. Kessler, Attorney
Kessler & Schwarz, P.C.
