THE **SPACE**

The Foundry Art Centre is a dynamic, interactive interdisciplinary arts center dedicated to the creation and presentation of contemporary visual and performing arts. Our mission is to bring together the arts, artists and everyday people through exhibitions, studio space, performing arts and educational programs. The Foundry serves as a rich cultural resource for the entire region.

Located alongside the Missouri River and Katy Trail in downtown St. Charles, the Foundry Art Centre is a place where artists can work, sell and exhibit their work. The beautifully redesigned interior of the old Foundry, where railroad cars were once produced, is a new cultural center for the St. Charles/St. Louis area featuring national, international and regional art. Add flowers, music and delicious food from some of the area's best caterers and the Foundry becomes a picturesque backdrop for your special event. Punctuate with art for a special evening everyone will remember.
